12:15 PM	Indigenous Knowledge: Visual Storytelling and the Long-Term Effect	Kristina Bad Hand	Renee Nejo and Walt Pourier	In this panel, panelists will be taking a look at using comic books as a tool to cultivate creativity, inspire and teach life lessons while illustrating how visual storytelling is a traditional and cyclical way of teaching many different lessons. This will also include how comics can be implemented in classrooms and why stories capture the attention of students.
12:15 PM	WORKSHOP: Intuitive Comic Workshop with Aidan Koch	Aidan Koch		In this workshop led by our Special Guest Aidan Koch, attendees will learn ways to create imagery and story out of nothing, showing that you don't need to always have everything mapped out or know the start or finish when working with comics. The collaborative aspect helps in 'seeing' a story where maybe one may not exist intentionally. It is learning to project and convey meaning through language.
